iSolved Employee Self-Service

Keeping your employees informed just got easier. A self-service that is not only beneficial to you, but empowers your employees to manage their own information, make informed decisions and communicate with HR easily.

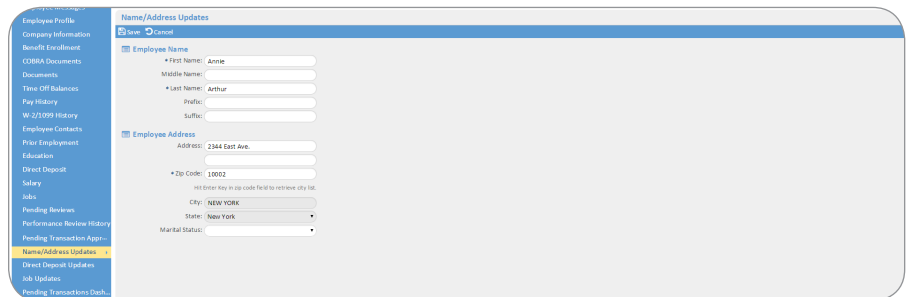

Employees can access company policies and documents.

Your employees can enroll for benefits anywhere, anytime.

Employees manage their personal information; optional workflow to managers and employees for approval.

Streamlines communication between employees, managers and HR.

Employees can view and print check stubs and their W-2s online – saving your HR and payroll staff time.
