

# iSolved | Mobile

Keep your employees moving with a smart mobile solution.

iSolved Mobile is the solution for employees who are on-the-go. With a simple, easy-to-use interface that is immediately familiar to all smart phone users, employees can clock in wherever they are.

Employees can clock in individually, or crew leaders can clock in an entire group of employees. Either way, there is no need to worry about being out of cell service - iSolved Mobile offers true offline capability.

## iSolved Mobile Features:

Mobile time punch

Group time punch

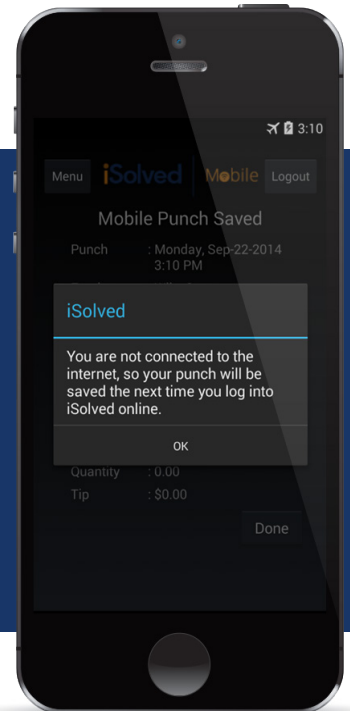

Quick punch

True offline operation

Track GPS coordinates

## Coming soon!

When using the Mobile app along with iSolved HCM, your employees will soon be able to:

- View pay stub summary
- View pay details
- View and change W4
- View PTO balances
- Request PTO
- Approve PTO
